

SOUTH WELLINGTON COIN SOCIETY

FEBRUARY 2, 2000

As most of you already know Scott E. Douglas, after almost three years of very productive service to our society, decided to step down from the presidency of our club. His personality and his knowledge of numismatic will be hard for me to replace. Scott is staying with the club as the treasurer.

It was an agreement between Scott and myself that I should take over as the new president. I would like to add that this is still an ongoing proposition and I believe that there should be some kind of election. I know that there are members in our club who are more qualified for the presidency than myself. For me to carry on as your president I need your support.

At the last meeting I did mention the need of a membership drive. Some of our members have moved out of this area and some became physically unable to attend. We were 35 strong but now we are down to only 27. If you know of anyone that would be interested please bring him or her to the meeting.

There still some of you that have not yet renewed your membership. Please do so as soon as possible. I am sure you do not want to forfeit your Charter Member status.

Our financial standing, which was disclosed at the last meeting, is now several hundred dollars. The exact amount will be stated in my financial report that I am preparing right now and it will be presented at our coming meeting.

I do hope that all of you had a wonderful Christmas and I do think that it is not too late to wish you a very Happy New Year!

FOR IMMEDIATE RELEASE

Mint launches Millennium Collector Coins for Year 2000

Ottawa, January 6, 2000 – Following a highly successful 25-cent coin series for 1999, Royal Canadian Mint President Danielle Wetherup today unveiled the numismatic product line for the Year 2000. This year's series will feature images reflecting the values and aspirations of Canadians at the dawn of a new century.

A new coin design will be launched each month, beginning with *Pride* featuring the work of Donald F. Warkentin, of Winnipeg, Manitoba. The coins can either be collected individually or purchased as a set.

The 2000 Commemorative Set, a deluxe set composed of twelve Sterling Silver 25-cent coins in frosted relief on brilliant background, is available for \$149.95 (\$101.45 U.S.). The complete series is presented in an oval-shaped clam style case covered with black material, embossed with the millennium logo, and comes with a Certificate of Authenticity.

The 2000 Souvenir Set, which features all twelve 2000 25-cent coins in brilliant uncirculated finish, is specially priced at \$24.95 (\$16.95 U.S.). The coins are displayed on an easel featuring an aerial photograph of Canada. A 2000 Commemorative medallion is only available with the Royal Canadian Mint Souvenir Set. The medallion, titled *The Maple Leaf Forever*, was designed by Maurice Bissonnette. It presents a collage of maple leaves to symbolise our natural and cultural diversity.

Each of the 2000 Sterling Silver Proof 25-cent Coins is available. The individual coins, priced at \$14.95 (\$10.45 U.S.) each, are presented in a deluxe display case accompanied by a Certificate of Authenticity.

The Mint's 2000 numismatic products can be purchased from the Royal Canadian Mint's global network of dealers and distributors, as well as directly from the Royal Canadian Mint by calling 1-800-267-1871 in Canada or 1-800-268-6468 in the United States. Mint products are also available on the internet at www.rcmint.ca
